Should this inmate at this time be given a parole or release date, his prognosis for being able to maintain his present gains in the community is positive.

XIII. REVIEW OF LIFE CRIME:

Inmate Mijangos described the circumstances surrounding his commitment offense. He states that he was driving to meet his cousin and saw a lot of people at the PanAmerican Club. As he drove up, he saw his cousin and the others in an altercation with two men. One of the men hit his cousin with a beer bottle. The two aggressors were shouting, making threats, and saying they were gang members.

The inmate had a gun in his car which he just happened to have there because of a prior plan to take it to target practice. He loaded his gun and suddenly saw the two people that were attacking his cousin approaching close to his car. He thought he saw the one man reaching for something behind his back and thought it might be a weapon, so he fired his gun. Both men were shot and his cousin and the others got into his car and they drove off.

He admits that on the same day of his commitment offense he had had four mixed alcoholic drinks, and now thinks that it probably did affect his judgment, which he said was poor. He also admits that he overreacted to the situation out of fear and panic. He said that his primary mistake was having a gun in his car in that situation. He subsequently heard during the trial that the two victims were brothers, and that the brother of the man who died said that they were not really gang members, but only claimed to be so during the altercation.

The inmate expressed remorse for killing someone who was unarmed, and admits that the amount of force he used was excessive for the situation due to his own panic. He also expressed sincere regret and sorrow regarding the victim's daughter, who had to grow up without her father.

MIJANGOS, JAIME  
CDC NUMBER: E-81550  
BPT MENTAL HEALTH EVALUATION

XIV. ASSESSMENT OF DANGEROUSNESS:

- A. This inmate has received only one CDC-115 violation during his entire incarceration for possession of inmate-manufactured alcohol in December of 1992, which he admitted he had made in order to celebrate the upcoming New Year's Eve. Therefore, it is felt that he would pose a less than average risk for violence when compared to this Level II inmate population.
- B. If released to the community, his violence potential is estimated to be no higher than the average citizen in the community.
- C. There appear to be no significant risk factors which would be precursors to violence for this inmate, as he does not appear to have a genuine alcohol problem, and he states that he would never own a gun again.

XV. CLINICIAN OBSERVATIONS/COMMENTS/RECOMMENDATIONS:

- A. This inmate is competent and responsible for his behavior. He has the capacity to abide by institutional standards and has generally done so during his entire incarceration period.
- B. This inmate does not have a mental health disorder which would necessitate treatment either during his incarceration period or following parole.
- C. Since this inmate denies having any alcohol or drug problem, no recommendations are made in this area.

To Whom It May Concern:

I am writing to you in behalf of Jaime Mijangos. Jaime is my son and I love him and support him. I am 67 years old and recently had heart problems. I am so afraid that I would not see my son free. At the time of his arrest Jaime was a responsible young man helping me with the support of our family. He had a stable job and he had just started a family of his own. The responsibility of providing for his family was his number one priority. I strongly believe that Jaime will be useful and a law abiding citizen in the community and in our family.

The circumstances that took him to jail were not because he was a bad person. Before the incident he always respected the law. It was a mistake that caused him and his family many years of pain. His children have grown with out a father. My son Jaime has a very positive attitude towards life; he has always lifted my spirit when I have been down. Hes behavior has also improved and has learned to control himself. He used his time in prison to better himself. He finished High School, has also taken classes in computers and worked as a teacher aid. If he is released from prison he will be very useful to me to his children and our society because he has become a better man and a law abiding citizen.

Upon his release he will be living with me. I am single and live alone at 10700 Colima Rd Whittier CA 90604 I will take care of his needs, that is emotionally as well as financially. We also have many member of the family that has offered to be by our side helping Jaime to readjust. My son regrets what he did and has learned from it.

Conoci al Señor Jaime E81550 desde que era el novio de mi hermana, despues se casaron; le bautizamos a su primer hijo mi esposo y yo; Jemy siempre tuvo un comportamiento muy correcto hacia todos nosotros.

El Señor Jaime Mijangos ha tenido bastante castigo al ser privado de su libertad, de estar con sus hijos en su crecimiento, que terminen para esos muchachos esas largas noches sin el beso de su padre.

Si Dios lo permite y el llega a salir, Jaime cuenta con nosotros economica y moralmente

before. Something he likes to do with his friends since he was a teenager. Even though he likes guns he never had one of him because I don't like guns either.

Jaime did not had fair trial his attorney was not a criminal attorney; we have to sale our house to pay him \$10,000.00. I turn him in I was never call in court.

Roney was involved as much as Jaime and he were never arrested. The bottle that Roney hit the gay with was not collected. The day they pick up the victim they had no case. Until I turn Jaime in and give them a case. From 10 cases of Rampar Station maybe 3 cases are solved, the way they suppose to. Jaime has already done his time; he has proved to you that he does not below in jail. He took every class, every opportunity you offer him to make him a better person. Unfortunately we do not have money to hire another attorney to represent him. All I can ask is to review his case from beginning; you will see that Jaime was also a victim.

I spoke with the victim's wife and brother, when Jaime was in court at the beginning and they say it was not Jaime they wanted but Roney Vargas.

I have lived in Comtom on the same street for six years were you are surround with drug and violence, I keep seen drugs dealers, killers, child molesters coming in and out of jail. How come Jaime cannot come out, he is not a drug dealer, rapes or murder. Please I beg you let Jaime free. We need him home; his kids need him the most. From California, Arizona, Texas, Virginia, New York, Central America somebody is waiting for Jaime, we will help him get back on track in society, we have everything he needs to start all over his life, somebody has a job for him, we have clothing, housing, money so when he come out he can start taking care of his children.

If I could change the past I would never have turn him in. I put him in the hands of the law thinking you will help him. By turning himself in but we were wrong, you took his life and ours.

Sincerely yours,

BOARD OF PRISON TERM, CHAIRMAN  
1515 "K" ST. SUITE 600  
SACRAMENTO CA. 95814  
REGARDING: JAIME H. MIJANGOS E81550

To Whom It May Concern:

My name is Ivan Mijangos and I am 18 years old. My father has been locked up since I was a toddler and you could say pretty most of my life. It's really hard to grow up without a father figure in a guy life. I did not know much about sex until my friend introduce me to porn movie; I did not know how to treat girls until I saw movies; I have not had the "man to man" talk. When I am with friends and they have their dad that talk to them about everything, I look at their dad as my father, if I need help they would help me. I have a lot of uncles and they look out for me because I know they don't want anything to happen to me. When I lived in Los Angeles, my father figures were my cousin's dad and my grandfather. I would listen to my grandfather because he is my dad's father and I guess my dad learned from him, so I will learn also. My dad has not seen me grow up and I don't like that because I try hard in school and other things and he is not around to see. I am a senior this year and this year I want him to see me walk the stage with my diploma in my hand. I miss him a lot and there is no one-day that goes without thinking of him. I do not know if he knows much about me, I have send him letters and pictures but to me that really is not much. I really do not know much about him because when we visit him we usually talk about what have I done, what is new and old. I cannot ask him what is new because all he does is goes to school, work out and chill. I really need him in my life so please give him another chance. Everyone deserves another chance in life.

Sincerely,

In re,

JAMIE MIJANGOS,

Petitioner,

Counsel for Respondent:

On Habeas Corpus

Nature of Proceedings: ORDER RE: WRIT OF HABEAS CORPUS

The Court has read and considered petitioner's Writ of Habeas Corpus filed on June 19, 2006. Having independently reviewed the record, giving deference to the broad discretion of the Board of Parole Hearings ("Board") in parole matters, the Court concludes that the record contains "some evidence" to support the Board's finding that petitioner is unsuitable for parole. (See Cal. Code Regs., tit. 15, §2402; *In re Rosenkrantz* (2002) 29 Cal.4th 616, 667 (hereafter *Rosenkrantz*).)

Petitioner was convicted of second degree murder with the use of a firearm and is serving a term of 18 years to life with a minimum parole eligible date of June 25, 2002. The record reflects that on May 22, 1990, petitioner and several family members were leaving the Pan American Club when they entered into an altercation with the two male victims. The two victims were turned away from the club earlier in the evening for lack of identification but they returned around closing time. At least one of petitioner's family members was assaulted by one of the victims. Petitioner was parking his car when he alleged he noticed one of the victims approaching. Petitioner retrieved a loaded gun from his car and shot the victims, killing one and injuring the other.

The record reflects that the Board found petitioner unsuitable for parole after a parole consideration hearing held on September 13, 2005. Petitioner was denied parole for three years. The Board concluded that petitioner was unsuitable for parole and would pose an unreasonable risk of danger to society and a threat to public safety if released from prison. The Board based its decision on several factors, including his commitment offense. The Court finds that there is some evidence to support the Board's findings that there were multiple victims injured or killed and that the motive for the crime was very trivial in relation to the offense. (See Cal. Code Regs., tit. 15, § 2402, subds. (c)(1)(A) & (E).) The record further reflects that the Board also relied on several additional factors in denying petitioner parole at this time, and there is some evidence to support that decision. There is some evidence that petitioner is unsuitable because of petitioner's limited programming while in prison. (See Cal. Code Regs., tit. 15, § 2402, subd. (d)(9).) In denying parole, the Board also cited to petitioner's lack of remorse indicating that he does not understand the nature and magnitude of his crime, stating that "there's nothing about your presentation today that came across as straightforward, insightful or remorseful." The Board based its finding on petitioner's contradictory testimony regarding the circumstances of the crime and his disciplinary violation for inmate-manufactured alcohol.
